

Invitation to become an Official Sponsor
of the
5th MoniQA International Conference, Porto, Portugal, 16-18 September 2015

Dear Sponsor,

12 May 2015

The 5th MoniQA International Conference "**Food and Health - Risks and Benefits**" on "**Innovative Technologies for Food Quality and Safety Management**" to be held in Porto, 16-18 September 2015 <https://porto2015.moniqua.org/home> will continue the successful series of MoniQA International Conferences, and targets participants from research and technology, method providers, industry, regulatory, media and consumer associations.

This time technological and analytical challenges in assuring food safety and quality will meet risk assessment, health concerns, consumer preferences, and clinical implications. Unique insights in various aspects of managing chemical, microbial, physical and technological risks to assure a safe and sustainable food supply, will be complemented by ample opportunities to network and showcase relevant services and products, projects and tools.

The organisers would like to invite you to support this meeting and help make it a success by signing up for one of our **sponsor packages** at <https://porto2015.moniqua.org/sponsoring>. For details please refer to the attached list.

Platinum:	min. 10,000.- €
Gold:	min. 7,000.- €
Silver:	min. 4,000.- €
Supporter/Bronze:	min. 2,000.- € cash or other contributions

The Platinum Sponsor may suggest his/her individual sponsorship expectations – some ideas can be found in the attached list. Gold and Platinum are also considered for including their own **workshop** into the conference programme and are invited to give a **technical talk** in the technical programme.

A minimum of Silver Sponsorship entitles for a **table top at the conference exhibition**. Additionally, we also invite our top sponsors to contribute towards **student travel support grants and conference awards**, such as best poster, best research paper/abstract, highest impact/most cutting edge research. Top sponsors may also award students and young researchers of their choice at the conference's awarding ceremony.

Sponsorship packages are limited and will be granted on a first come first serve basis. The sooner you decide to become a sponsor the more promotion activities leading to the conference will be relevant for you.

On behalf of the Conference Organisers we would like to thank you in advance for your valuable support. We are hoping to see you in Porto! If you have any questions, please contact roland.poms@moniqua.org.
